PARTNERS

LUKE 9:25

Faithful stewardship, *carried forward.*

You've cared for your people, your customers, and your name. We'd be honored to carry your legacy forward.

Our Promise

01
For a lifetime.
We're doing this to own and run, never to resell.

02
Your people stay.
The team that built it is the reason we want it.

03
Your name stays on the door.
Customers and the community keep calling the same number.

04
Your pace, not ours.
The handoff happens on a schedule you're comfortable with.

05
Your values, kept.
We'll run it with the same honesty and care you did.

A Simple Process

No pressure, no surprises.

1
A conversation
Coffee or a call. No documents, no commitment.

2
Getting to know you
We visit, meet your team, and listen to what matters most.

3
A clear offer
A letter of intent in plain English. No surprises later.

4
Closing and transition
We close together, and the handoff happens at your pace.

What We Look For

WHERE
Texas.

SIZE
$300K–$1M in annual profit.

KIND
An established, profitable company with loyal customers and a good team.

A NOTE FROM OUR FOUNDER

I've run a small business. I know what it's like to make payroll on a Friday, to look after the people who depend on you, and the joy of celebrating a milestone with the whole team.

That's why I started Salomon Partners. I'm looking for one company to own and run for the rest of my life. If you've built something in Texas and you're starting to think about what comes next, I'd like to hear your story. No pitch, no pressure. Just a conversation.
